# **One-Day Workshop at S.T.S.N GDC, Kadiri**

## **Abstract:**

This report presents a comprehensive overview of one-day workshop conducted at S.T.S.N Government Degree College, Kadiri, focused on the issues of implementing the local Language of Andhra Pradesh as Official Language..workshop attended by 25 participants, was led by Sri K. Sundara Mohana Reddy, Lecturer in Telugu of STSN GDC Kadiri.. The report outlines the key components, activities, and insights gained during the workshop, shedding light on the transformative impact of Official Language in Andhra Pradesh..

## **Introduction:**

S.T.S.N GDC organized One-day workshop aimed at enhancing the participants' skills in usage of Telugu Language and the importance to implement as Official Language in Andhra Pradesh. for effective teaching of Sri K.Sundara Mohana Reddy , with his proven expertise as a Speaker, was the ideal resource person to guide the participants through this immersive experience.

## **Workshop Objectives:**

To familiarize participants with a range to implement Telugu as Official Language..

To demonstrate practical ways of the Language should be implemented as Official in Andhra Pradesh, content delivery, and assessment.

## **Workshop Structure:**

The workshop was structured into modules, each focusing on specific aspects on the Local Language.. Mr. K. Sundara Mohana Reddy adopted a participatory approach, encouraging active engagement and collaborative learning among the participants.

## **Key Outcomes:**

- Importance and relevance of Telugu as an Official Language came to the fore
- Came to know of the directions and suggestions needed to make Telugu the Official and Transacting language in the affairs of the state

## **Participant Feedback:**

Feedback from participants indicated a positive shift in their perception of in the use and relevance of the Telugu language. Many expressed enthusiasm about use of vernacular in day to day affairs for the ease of communication. The practical sessions were particularly praised for providing a concrete understanding the mechanism of the vernacular.

## **Conclusion:**

The one day work shop on the use of Telugu as an official language brought a positive approach in the participants in its use in day to day affairs despite the pervading effect of the foreign language in the era of globalization.

**Subject:** Request for Permission to Conduct Work Shop on *Mechanization in Sericulture*

Respected Sir,

I trust this letter finds you well. I am writing to seek permission to conduct a Workshop in "*Mechanization in Sericulture*". as this process in Encourage creative expression within the workshop. Provide opportunities for participants to apply learned techniques in unique ways.

### **Course Details**

**Course Name:** *Mechanization in Sericulture*

**Duration** : 1DAY

**Group** : CZS STUDENTS

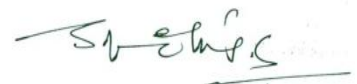

### **Course Content:**

- Introduction of Mechanization
- Why Mechanization in Sericulture
- Mechanization in Mulberry Cultivation
- Mechanization in Silkworm Rearing
- Types of Reeling Machines
- Advantages of Mechanization in Sericulture

We kindly request your approval for the proposed certificate course. We are more than willing to provide any additional information or address any concerns you may have. Your support in this endeavour is highly valued, and we believe it will significantly enhance the educational offerings at STSN GDC, Kadiri.

Thank you for considering our request. We look forward to your positive response.

# **CIRCULAR**

30-10-2018

This is to inform you that the Department of *Sericulture* is going to conduct a Work Shop in “*Mechanization in Sericulture*” This course may be useful for students will get more knowledge about **Mechanization** this workshop Encourage creative expression within the workshop. Provide opportunities for participants to apply learned techniques in unique ways. involves fostering individual creativity and expression. In this regard enrol their names in the Department of *Sericulture* on or before 08.12.2018.

## **Course Details**

**Course Name:** *Mechanization in Sericulture*

**Duration** : 1DAY

**Group** : CZS STUDENTS

### **Course Content:**

- Introduction of Mechanization
- Why Mechanization in Sericulture
- Mechanization in Mulberry Cultivation
- Mechanization in Silkworm Rearing
- Types of Reeling Machines
- Advantages of Mechanization in Sericulture

Department of Sericulture

# **COURSE DESCRIPTION AND OBJECTIVES**

## **COURSE DESCRIPTION**

The Department of Sericulture recently conducted an enlightening workshop in its state-of-the-art laboratory, focusing on "Mechanization *in Sericulture*." The workshop aimed to equip Sericulture students with the skills necessary for self-reliance and active participation in environmental conservation. This workshop Encourage creative expression within the workshop. Provide opportunities for participants to apply learned techniques in unique ways., involves fostering individual creativity and expression.

## **COURSE OBJECTIVES:**

- The main objective Is Recognizing the potentialities of sericulture, the workshop extended its focus to Mechanization in Sericulture.
- The main Objective is to reduce the cost of production of silk and must improve the Productivity in Sericulture
- Students will get to Knowledge about Improving the Quality of work
- Demonstrate Different machines used in Mulberry cultivation
- Students will learn about timeliness in various Mulberry cultivation and Silkworm Rearing Activities
- The workshop showcased the remarkable impact of increasing the productivity of land and labour.
- The workshop commenced with an in-depth training session on the Different machines used in Sericulture and their advantages towards quality of silk production.

### **STUDENT LEARNING OUTCOMES:**

After Successful Completion Of The workshop , Students Will have The Knowledge And Skills &Including

- This workshop marked a significant step towards empowering Sericulture Cluster students with practical skills in Mechanization in Sericulture.
- The acquired knowledge not only fosters self-reliance but also positions participants as contributors to environmental conservation through sustainable agricultural practices.
- Students got Knowledge on Commercial Production of Silk through Mechanization.
- This hands-on experience enabled students to grasp the essential techniques for creating a conducive environment for bacterial growth of Biofertilizer.

## Workshop Report on Digital Transformation in Retail

by K. Anil Kumar, SBI Branch manager, Kadiri

*Conducted by Dept. Of Commerce at STSN Govt Degree College, Kadiri.*

**Introduction:** On 16.11.2018 a comprehensive workshop on Digital Transformation in Retailing was conducted at STSN Govt Degree College, Kadiri. K. Anil kumar, SBI Branch manager, Kadiri. The workshop targeted final-year students and faculty members from the Department of Commerce, aiming to enhance their Digital Transformation in Retailing.

**Title:** Digital Transformation In Retail.

### Objectives:

1. To impart knowledge about the online transactions.
2. To provide insights into the Mobile banking.
3. To develop Digitalization in India

### Proceedings:

**Permission Request:** A formal request seeking permission to conduct the workshop was submitted to the Principal of STSN Govt Degree College. The circular, distributed among students, detailed the objectives and relevance of the workshop.

**Circular to Students:** A circular was issued to students, informing them about the upcoming workshop on digital transformation in retail. It outlined the importance of the workshop, its objectives, and encouraged active participation.

**Department Minutes and Resolution:** The Department of commerce held a meeting to discuss and approve the workshop. Minutes of the meeting documented the decision to conduct the workshop and the resolution supporting its implementation.

**Bio-Data of Guest Speaker:** K. Anil Kumar SBI Main Branch Manager Kadiri.

**Introduction:** The advent of digital technologies has ushered in a new era for the retail industry, reshaping the way businesses operate and consumers shop. To explore the intricacies of this transformative journey, 120 students from STSN

Government Degree College (GDC) in KADIRI participated in a one-day workshop. This workshop delved into the nuances of digital transformation in the retail sector, providing a holistic view of the opportunities and challenges that come with embracing technology.

**Session 1: Understanding Digital Transformation in Retail** The workshop commenced with an introductory session that laid the foundation for understanding digital transformation in the retail sector. It explored the evolution of retail technologies, from e-commerce platforms to advanced data analytics and artificial intelligence. Students gained insights into the driving forces behind this transformation, including changing consumer behavior, technological advancements, and market trends.

**Session 2: E-commerce and Omnichannel Retailing** The second session focused on the rise of e-commerce and the importance of omnichannel retailing. The facilitator emphasized how retailers are leveraging online platforms to reach a wider audience and provided examples of successful e-commerce strategies. Discussions revolved around the integration of online and offline channels to provide a seamless shopping experience for consumers.

**Session 3: Data Analytics and Personalization** Data analytics emerged as a central theme in the third session, highlighting its role in understanding consumer preferences and behaviors. The participants learned how retailers use data to create personalized shopping experiences, optimize inventory management, and enhance customer satisfaction. Case studies were presented to showcase successful implementations of data-driven strategies by leading retail brands.

**Session 4: Artificial Intelligence and Robotics in Retail** The fourth session explored the impact of artificial intelligence (AI) and robotics on the retail landscape. Students gained insights into the use of AI for demand forecasting, chatbots for customer service, and robotics for inventory management. The session sparked discussions on the ethical considerations and challenges associated with the increasing integration of AI in retail operations.

**Session 5: Digital Marketing and Social Media** Digital marketing and social media took center stage in the fifth session, highlighting their pivotal role in modern retail. Participants learned about the power of social media for brand promotion,

customer engagement, and real-time communication. Practical insights into creating effective digital marketing campaigns were shared, emphasizing the importance of staying attuned to the dynamic online landscape.

**Conclusion:** The one-day workshop at STSN GDC KADIRI provided an immersive experience for students to grasp the intricate facets of digital transformation in the retail sector. The comprehensive sessions, facilitated by industry experts, not only highlighted the current landscape but also equipped participants with insights into the potential trajectories and challenges that lie ahead. As the retail industry continues to evolve in the digital age, the knowledge gained during this workshop positions the students as informed and forward-thinking individuals ready to contribute to the dynamic world of retail.

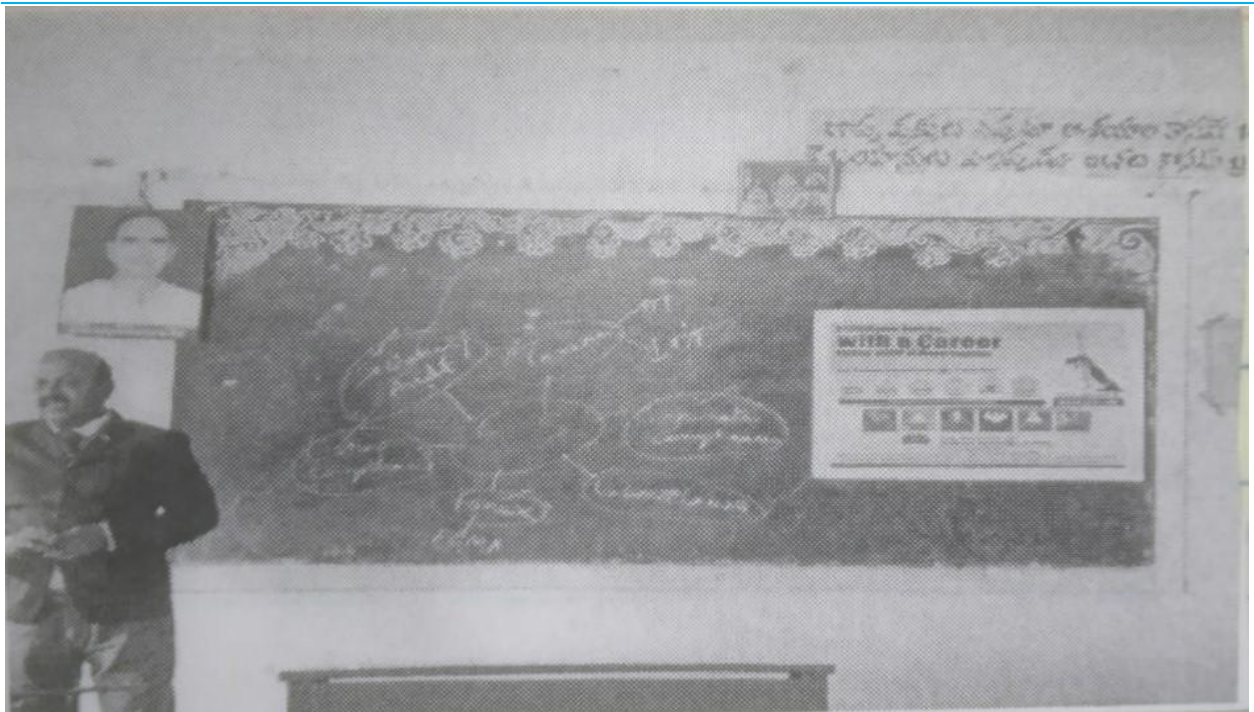

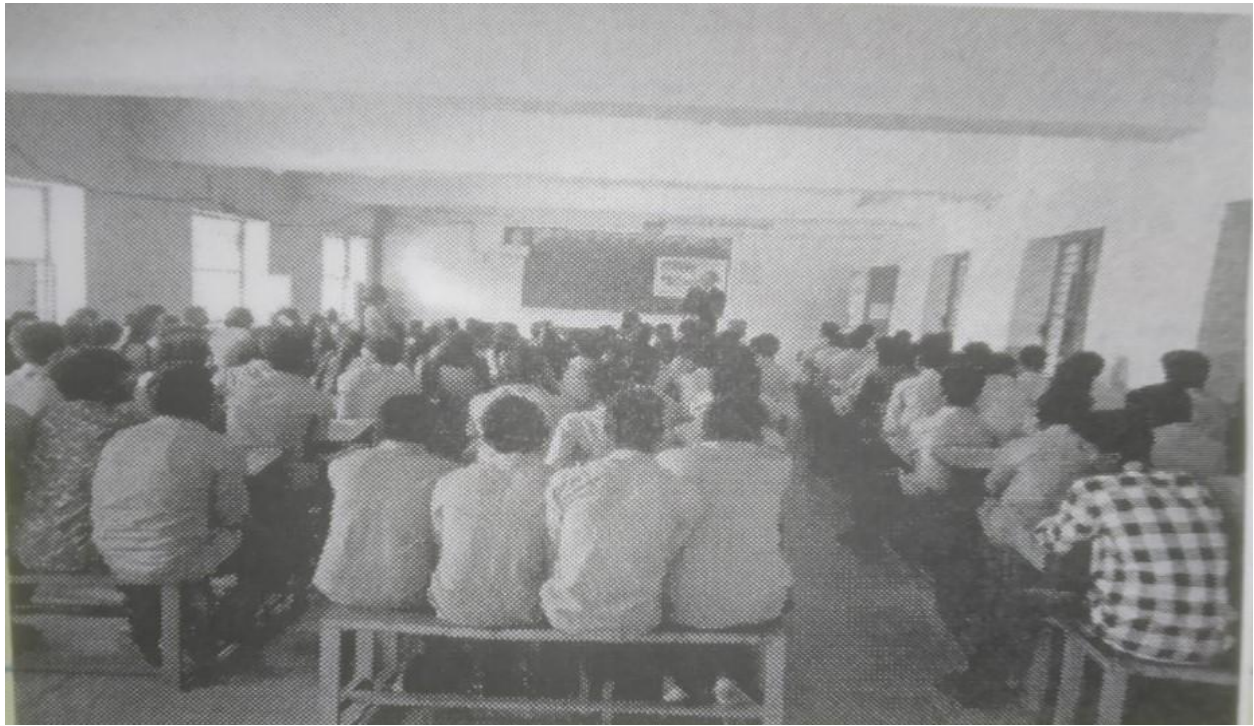

**Feedback:** Post-workshop, participants provided positive feedback, acknowledging the practical relevance of the sessions. The interactive nature of the workshop facilitated a deeper understanding of digital transformation in retailing.

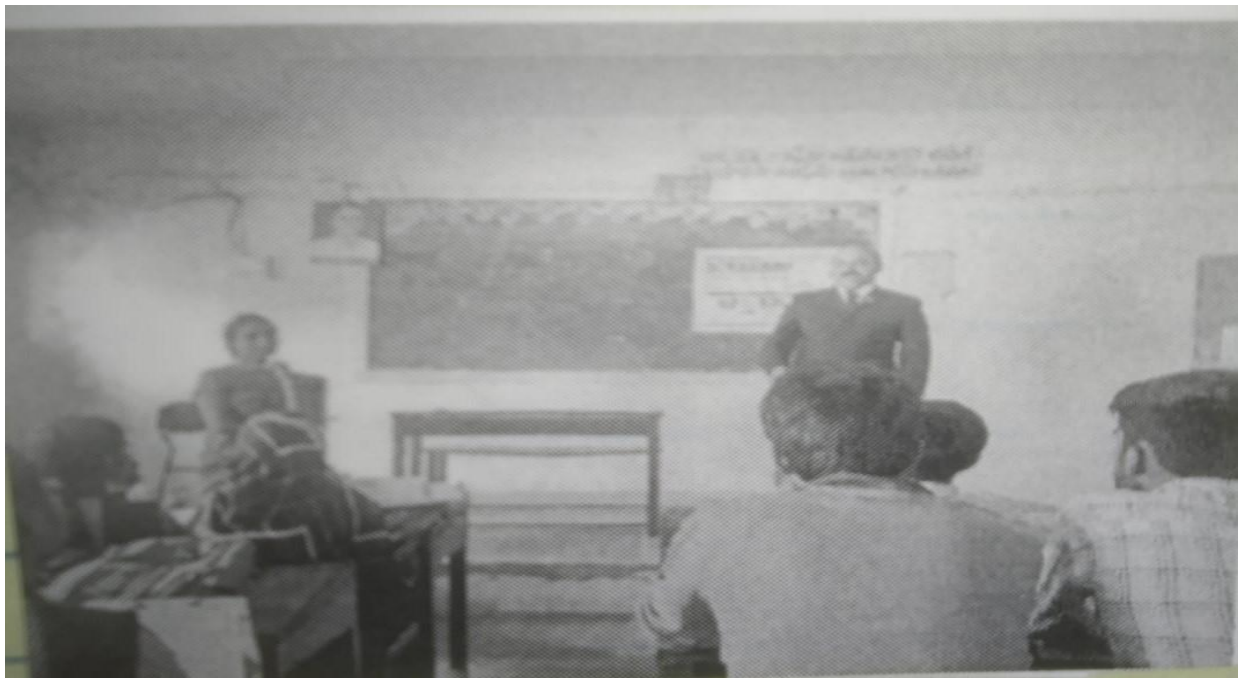

### **Outcomes:**

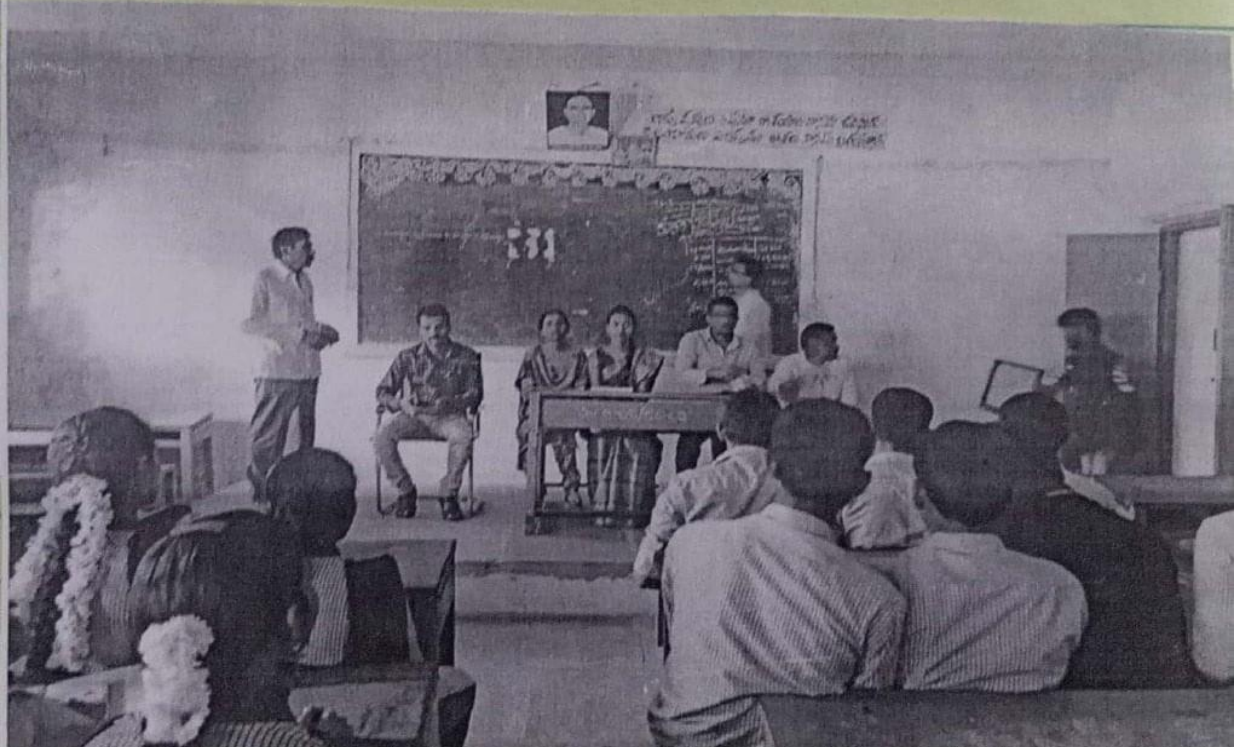

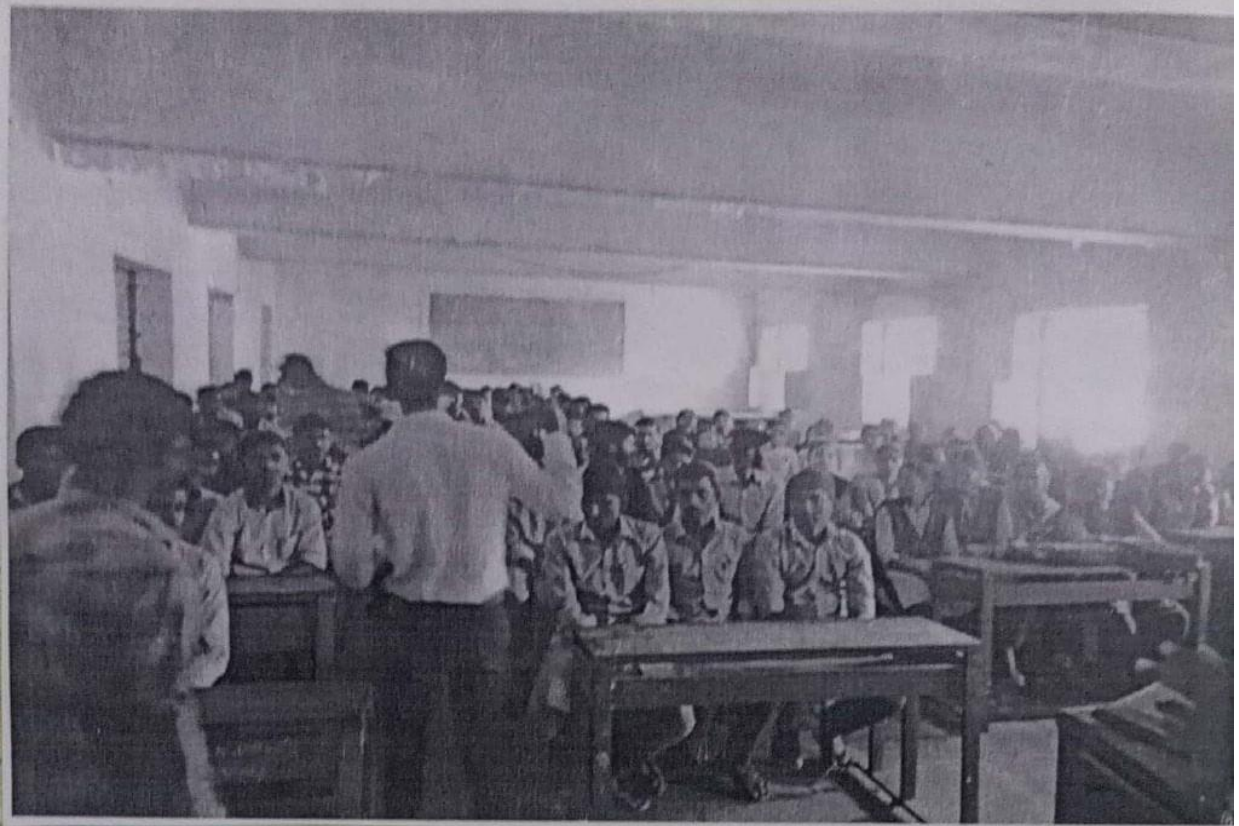

1. Online transactions.
2. Digitalization in India.
3. Mobile banking.
4. Online purchases.

**Conclusion:** The Digital Transformation in Retail workshop by K. Anil Kumar was a resounding success, contributing significantly to the digital capabilities of students. The insights gained are expected to transact digitalisations outcomes and many more things. Environment within the Department of Commerce at STSN Govt Degree College, Kadiri.

## **Workshop Report on Research Methodology by Dr. K. Lakshmi Narayana Reddy**

*Conducted at STSN Govt Degree College, Kadiri*

**Introduction:** On 17.11.2018 a comprehensive workshop on Research Methodology was conducted at STSN Govt Degree College, Kadiri. Dr. K. Lakshmi Narayana Reddy, Assistant Professor in the Department of Sericulture at SK University, Ananthapuramu, served as the resource person. The workshop targeted final-year students and faculty members from the Department of Sericulture, aiming to enhance their research skills and methodological understanding.

**Title:** Research Methodology in Sericulture: A Practical Approach

### **Objectives:**

4. To impart knowledge about the fundamental principles of research methodology.
5. To provide insights into the application of research methods in sericulture studies.
6. To equip students and faculty with practical skills for effective research design and data analysis.

### **Proceedings:**

**Permission Request:** A formal request seeking permission to conduct the workshop was submitted to the Principal of STSN Govt Degree College. The circular, distributed among students, detailed the objectives and relevance of the workshop.

**Circular to Students:** A circular was issued to students, informing them about the upcoming workshop on Research Methodology. It outlined the importance of the workshop, its objectives, and encouraged active participation.

**Department Minutes and Resolution:** The Department of Sericulture held a meeting to discuss and approve the workshop. Minutes of the meeting documented the decision to conduct the workshop and the resolution supporting its implementation.

**Bio-Data of Guest Speaker:** Dr. K. Lakshmi Narayana Reddy's comprehensive bio-data, including academic qualifications, research experience, and contributions to the field of sericulture, was shared with participants to establish credibility.

### **Step-Wise Procedure:**

**Session 1 - Introduction to Research:** Dr. Reddy initiated the workshop with an overview of research methodologies, emphasizing the importance of systematic investigation in sericulture.

**Session 2 - Research Design:** The participants were guided through the process of designing research projects, including formulation of hypotheses, selection of variables, and development of research questions.

**Session 3 - Data Collection Techniques:** Practical aspects of data collection were discussed, encompassing both qualitative and quantitative methods relevant to sericulture research.

**Session 4 - Data Analysis:** Dr. Reddy provided insights into statistical tools and software for data analysis, ensuring participants gained proficiency in interpreting research findings.

**Session 5 - Report Writing and Publication:** The final session focused on effective communication of research outcomes through report writing and publication strategies.

**Participants:** The workshop attracted enthusiastic participation from final-year sericulture students and faculty members. The diverse audience ensured a dynamic exchange of ideas and experiences.

**Feedback:** Post-workshop, participants provided positive feedback, acknowledging the practical relevance of the sessions. The interactive nature of the workshop facilitated a deeper understanding of research methodology, enhancing the participants' confidence in undertaking independent research projects.

### **Outcomes:**

1. **Enhanced Research Skills:** Participants gained practical knowledge and skills applicable to sericulture research.
2. **Increased Confidence:** The workshop instilled confidence in students and faculty to approach research projects with a structured methodology.
3. **Networking Opportunities:** Participants engaged in valuable interactions, fostering a collaborative environment within the Department of Sericulture.

**Conclusion:** The Research Methodology workshop by Dr. K. Lakshmi Narayana Reddy was a resounding success, contributing significantly to the research capabilities of both students and faculty. The insights gained are expected to translate into improved research outcomes and a more research-active environment within the Department of Sericulture at STSN Govt Degree College, Kadiri.
