## 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college has a systematic process of evaluating the attainment of Programme outcomes and course outcomes. The level of attainment of Programme Outcomes, Programme Specific Outcomes and Course Outcomes by the students are measured by using the following parameters. The key indicators of measuring attainment are:

**1. End Semester University Examination:** Being a constituent college of S.K. University, the students of STSN GDC are required to take examinations as per the semester and annual pattern set by the university, through which the institution measures programme outcomes based on the course attainment level fixed by the programme.

**2. Internal Assessment:** The Internal Assessment constitutes 25% weightage of the total marks (100) in each subject. The students are tested in the format called CIA designed by the APCCE.

**3. Practical Assessment / External Assessment:** It is evaluated by external examiners conducting Practical examinations, and taking Viva-Voce.

**4. Result Analysis:** At the end of each semester, result analysis of each course is carried out to assess the attainment of Programme outcomes and course outcomes attained by the students.

**5. Internships and Placements:** Another yardstick that is used to measure the programme outcomes and course outcomes attained by the student's folk is in the form of Internships and Placements.

## Strategies adopted to measure the attainment of the Programme outcomes and course outcomes

### CIA

#### (Continuous Internal Assessment)

Continuous Internal Assessment (CIA) has been a quality parameter for higher education. The CCE has devised & adopted a seamless CIA policy and issued Standard Operating Procedure to follow for CIA at all the colleges. This ensures that our students are continuously tracked and reminded of their academic performance for feedback-assisted iterative learning. Therefore, it is easy for students to complete the program in time with good knowledge and score.

CIA evaluates student's progress throughout the course. It is observed that there are differences/deviations in awarding internal marks to the students in autonomous and non-autonomous colleges in Degree Colleges due to differences from University to University.

To bring uniformity among all the Government Degree Colleges in AP, CCE has issued an SOP based on "Bloom's Taxonomy" for CIA for implementation from 2022 January.

Every student should complete at least one assignment for each unit / module, Co-curricular activities like Project work / Quiz / Field trip etc., should attend the college and participate in clean & green work and write two mid exams in every semester and the data to be maintained as per the formats The total of 50 Marks is to be scaled down to 25 Marks for non-autonomous colleges and it is to be scaled down to the respective internal marks of autonomous colleges:

S.No.	Type of Assessment	Weightage Assigned
(i)	Assignments	5
(ii)	Project-Work / Seminar / Group Discussion / Role play / Quizzes / Presentations	5
(iii)	Cleaning, Greening and Attendance	5
(iv)	Testing of knowledge through Mid-term examinations (Mid -1 + Mid -2)	20 + 15
