

3.1.3.1 - Total number of Seminars/conferences/workshops conducted by the institution during the year 2022-23

Sl.No	Activity
1	Workshop Report: Awareness on Organic Food and Food Adulteration
2	National Webinar on Software Testing Concepts
3	"Empowering Entrepreneurs: District Level 3-Day Workshop by the Dept. of Commerce
4	Workshop on IPR
5	Work Shop on E-Office
6	Workshop on F MAP to Non Teaching Staff

1.Workshop Report: Awareness on Organic Food and Food Adulteration

Venue: College Auditorium, S.T.S.N Govt. Degree College, Kadiri

Date: 2nd December 2022

Time: 2:00 PM to 5:00 PM

Attendees:

- College Staff Members
- Students

Organizers:

The workshop was organized by the College Management in collaboration with the NGO Kadiri.

A. Objective:

- ✓ The primary objective of the workshop was to create awareness among the attendees about the significance of consuming organic food and the dangers of food adulteration.
- ✓ The workshop aimed to educate the participants on how to identify and choose organic food products, as well as how to recognize common food adulterants.

B. Procedure:

The workshop was structured as follows:

1. Inaugural Address (2:00 PM - 2:15 PM):

- The workshop commenced with a warm welcome by the Principal, highlighting the importance of the topic.
- An introduction to the resource persons from the NGO Kadiri was provided.

2. Session I: Understanding Organic Food (2:15 PM - 3:15 PM):

- The first session was led by Mr.Rafiulla seasoned expert from Kurnool, who provided comprehensive insights into organic farming practices, its benefits, and its impact on health and the environment.
- The session included interactive discussions and case studies to engage the participants.

3. Session II: Food Adulteration and its Hazards (3:15 PM - 4:15 PM):

- Mr. Basha and Mrs.Sridevi, a food safety experts from Vinukonda, conducted the second session. She elucidated various forms of food adulteration, common adulterants, and the health risks associated with consuming adulterated food.
 - Practical tips on how to detect food adulteration were shared.
4. **Interactive Q&A Session (4:15 PM - 5:00 PM):**
- The workshop concluded with an open forum where attendees could ask questions to the resource persons.

C. Summary of the Event:

The workshop was highly informative and engaging. The resource persons demonstrated an in-depth understanding of the subject matter, and the content was presented in a clear and accessible manner. The attendees were actively involved in the discussions and displayed a keen interest in learning about organic food and food adulteration.

D. Feedback from Participants (Outcome):

The feedback received from the participants was overwhelmingly positive. Some key observations include:

- **Increased Awareness:** The workshop significantly enhanced the awareness levels regarding organic food and food adulteration among both staff members and students.
- **Clarity of Presentation:** The resource persons were praised for their expertise and the clarity with which they conveyed complex information.
- **Practical Relevance:** Participants appreciated the practical tips and examples provided, which they felt would help them make more informed choices regarding their food consumption.
- **Call for Further Workshops:** Many attendees expressed interest in similar workshops on related topics and suggested organizing more sessions in the future.

In **conclusion**, the workshop on "Awareness on Organic Food and Food Adulteration" at S.T.S.N Govt. Degree College, Kadiri, was a huge success. It effectively achieved its objectives of educating the participants on the importance of organic food and the risks associated with food adulteration. The event was well-received, and there is a clear demand for more such educational initiatives in the future.

2. National Webinar On Software Testing

Venue: Online/Virtual Mode, S.T.S.N Govt. Degree College, Kadiri

Date: 23rd April 2023

Time: 3:00 PM to 5:00 PM

Attendees:

- College Students
- Other College Students

Organizers:

The workshop was organized by the Department of Computer Science, STSN Government Degree College, Kadiri.

Objectives:

The objectives of software testing concepts webinar may vary depending on the specific focus and goals of the webinar. However, here are some common objectives that such a webinar might aim to achieve:

1. **Introduction to Software Testing:** Provide participants with a fundamental understanding of what software testing is and why it is crucial in the software development life cycle.
2. **Types of Testing:** Explain various types of software testing, including functional testing, non-functional testing, manual testing, and automated testing, to help participants understand the different aspects of testing.
3. **Testing Processes:** Describe the processes involved in software testing, such as test planning, test design, test execution, and test reporting, to give participants insights into the testing workflow.
4. **Testing Methodologies:** Introduce participants to different testing methodologies, such as Agile testing, Waterfall testing, and DevOps testing, and explain how testing fits into each approach.
5. **Test Case Creation:** Teach participants how to create effective test cases, including defining test objectives, test data, and expected results.
6. **Test Automation:** Discuss the benefits and challenges of test automation and provide an overview of popular testing automation tools and frameworks.
7. **Bug Reporting and Tracking:** Explain how to identify and report software defects (bugs) and introduce bug tracking systems to manage the defect resolution process.
8. **Best Practices:** Share best practices and industry standards in software testing to help participants ensure the quality of their software.
9. **Quality Assurance vs. Quality Control:** Clarify the distinction between quality assurance (QA) and quality control (QC) and how they relate to software testing.
10. **Risk-Based Testing:** Discuss the concept of risk-based testing and how it helps prioritize testing efforts based on potential impact and likelihood.
11. **Real-World Examples:** Provide real-world examples and case studies to illustrate testing concepts and their practical application.
12. **Q&A Session:** Allow participants to ask questions and seek clarification on testing concepts or specific challenges they may face.
13. **Certification and Career Paths:** Inform participants about software testing certifications and potential career paths in software quality assurance.

The specific objectives of a software testing concepts webinar may be tailored to the target audience's knowledge level, whether they are beginners seeking an introduction to

testing or experienced professionals looking to deepen their understanding of testing principles and practices.

ABOUT STSN GOVERNMENT DEGREE COLLEGE, KADIRI
THE COLLEGE IS MOVING FORWARD WITH THE VISION THAT "VIDYAYA AMRUTHAM ASSUTHE" (THROUGH KNOWLEDGE, ONE ACHIEVED IMMORTALITY) AND EMPHASIZES DYNAMIC INTERACTIVE DIGITAL EDUCATION IN THE LEARNING PROCESS.
EVERY EFFORT IS MADE TO SET GLOBAL STANDARDS, ESPECIALLY FOR OPPRESSED AND DISADVANTAGED SECTIONS PRIVILEGED STRATA OF SOCIETY AFFORDABLE COSTS WITH ALL THE HUGE RESOURCES AND INFRASTRUCTURE AVAILABLE. OWN BUILDING IS ESTABLISHED IN A VAST AREA OF 27 ACRES OF LAND IN A SERENE ATMOSPHERE.
RECOGNISED BY UNIVERSITY GRANTS COMMISSION (UGC), NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC), NATIONAL INSTITUTIONAL RANKING FRAMEWORK & ISO 9001:2008.
STSN GOVERNMENT DEGREE COLLEGE, KADIRI COURSES ARE OFFERED AT VARIOUS LEVELS LIKE UNDERGRADUATE DEGREES (I E BA, B COM, B SC, ETC.) AND MANY MORE. YOU CAN ALSO FIND A BRIEF OVERVIEW OF THE DIFFERENT COURSES OFFERED BY THE UNIVERSITY IN THE DIFFERENT DISCIPLINES WITH THEIR SPECIALIZATIONS ON THE COURSE PAGE.
SCOPE OF WEBINAR:
SOFTWARE TESTING IS THE BACKBONE OF ANY IT PRODUCT OR SERVICE, AND THE SCOPE OF SOFTWARE TESTING GROWS EVERY DAY. IT IS ONE OF THE BIGGEST INDUSTRIES IN THE WORLD IN TERMS OF JOB CREATION AND RECRUITMENT, WITH A SIZE OF ABOUT USD 13 BILLION. THE TECHNICAL FIELD IS DOING WELL AND WILL LIKELY DO EVEN BETTER. TESTING WILL SURELY INCLUDE INCREASING CASES OF USER EXPERIENCE TESTING. THIS KIND OF TESTING WHICH GENERALLY INVOLVES ACTUAL USERS, HELPS IN TESTING DIVERSE ASPECTS OF USER EXPERIENCE. THIS HELPS IN DETERMINING THE BEST COURSE OF INTERACTION BETWEEN A PRODUCT AND ITS AUDIENCE.
THEY WORK WITH DEVELOPERS TO ENSURE THAT THE SOFTWARE MEETS USER REQUIREMENTS AND IS OF HIGH QUALITY. THE POSITION OF AN SDET IS OF THE MOST IN-DEMAND JOB ROLES WITHIN THE DOMAIN, ATTRACTING SOME OF THE HIGHEST PAYING COMPANIES.
THE NATIONAL AVERAGE SALARY FOR A QA SOFTWARE TESTER IS ₹4,20,644 IN INDIA.

3."Empowering Entrepreneurs: District Level 3-Day Workshop by the Dept. of Commerce

Title of the Program "Mastering Marginal Costing: A 3-Day Blended Mode Workshop"

Objectives To facilitate students' understanding of cost accounting through blended learning and the effective utilization of faculty exchange services.

Participants

- Students of S.T.S.N GDC, KADIRI on off-line mode.
- Students of G.V.R.S GDC, Dhone on online mode.

Resource Person

- Dr. P.M. Siva Prakash.

Collaboration

- Dept. of Commerce, S.T.S.N GDC, Kadiri ,SSS.Dt.
- Dept. of Commerce, G.V.S.R GDC,Atmakur,Kurnool Dt.

Outcomes Students will have the opportunity to engage in a blended learning environment, gaining valuable insights from faculty members specializing in the same subjects. This experience not only enhances the students' skills but also enriches the expertise of faculty members as they teach students from diverse geographical areas, both in offline and online modes.

A Brief Report

The Departments of Commerce at S.T.S.N. Govt. Degree College, Kadiri (Sri Sathya Sai district) and G.V.R.S. Govt. Degree College, Dhone (Nandyal district) have entered into a Memorandum of Understanding (MoU) to enhance the educational experience for their students in the field of accounting and finance.

As part of this collaboration, both colleges have decided to conduct blended mode online teaching classes on the topic of 'Marginal Costing' in Cost and Management Accounting for Semester-IV students pursuing II B.Com. during the academic year 2022-23. These classes took place over three days from June 19th to June 21st, 2023.

During this period, G.V.R.S. Govt. Degree College, Dhone, facilitated online attendance for its students, while S.T.S.N. Govt. Degree College, Kadiri, organized in-person classes for its students.

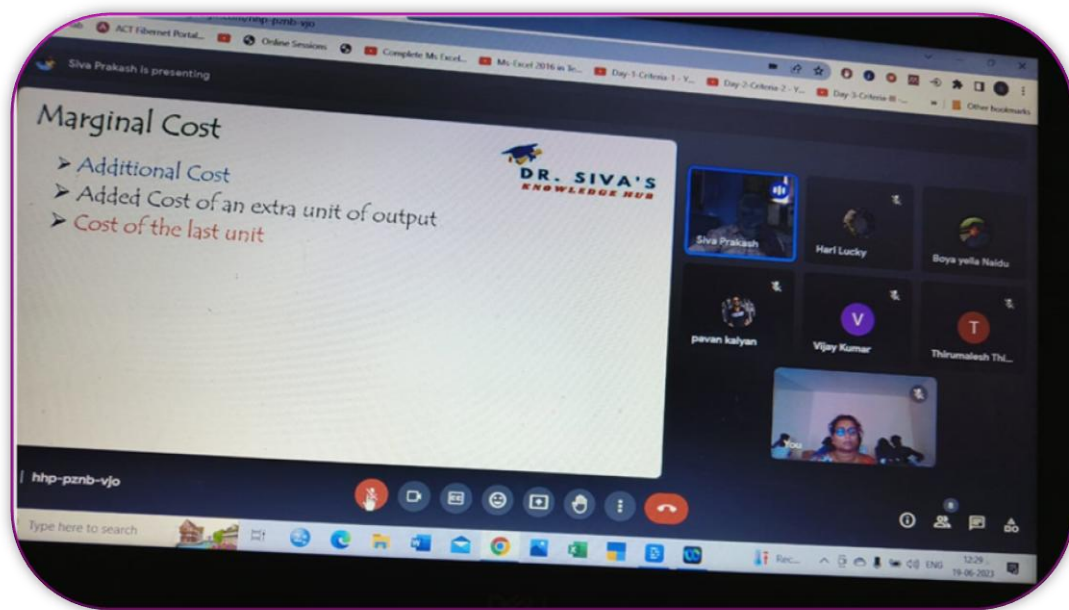

Dr. P.M. Siva Prakash, Lecturer in Commerce at S.T.S.N. GDC, Kadiri, conducted the classes using PowerPoint presentations, which were simultaneously shared with students from both colleges. Additionally, Smt. Dr. Krishnaveni, Lecturer in Commerce at G.V.R.S. GDC, Dhone, arranged screening facilities, including an LCD Projector and sound system, at her college for the benefit of the students.

Google Meet was the chosen platform for online teaching at G.V.R.S. GDC, Dhone. Some students from S.T.S.N. GDC, Kadiri, also joined these online sessions if they couldn't attend the in-person classes.

This blended mode of teaching proved highly beneficial for the students, offering them flexibility and access to quality education."

G.V.R.S. GDC, Dhone, Kurnool Dt. students actively engage in subject-related discussions during workshop, seeking clarification on their queries. Dr.PM.Siva Prakash, Dept.of Commerce, acting as Resource Person.

Dr.Krishnaveni, Asst.Professor, G.V.R.S. GDC, Dhone, Nandyal Dt .Interacting with Students of STSNGDC,Kadiri,SSS.Dt.

G.V.R.S. GOVERNMENT DEGREE COLLEGE
DHONE

Nandyal Dist. Andhra Pradesh. India.
(Accredited at 'B' Grade with CGPA 1.82 by NAAC, Bangalore)

Dr. M. Bharathi
Principal

Dated: 21st June 2023

Certificate of Appreciation

This is to certify that Dr. P. M. Siva Prakash, lecturer in Commerce, Department of Commerce, S.T.S.N. Government Degree College, Kadiri, Sri Satya Sai District, Andhra Pradesh, delivered an *Online Lecture* for three sessions on 19th, 20th June and 21st 2023 on the topic entitled, 'Marginal Costing' as part of an MoU made between both parties. It was a scintillating and informative lecture that was well-received by the students. The institution appreciates him for such initiation and for taking efforts to promote the knowledge of the students of this institution.

(Dr M Bharathi)

4. Workshop on Srujan Shibir (Innovations & Entrepreneurship-IPR)

Report on : One Day Srujana Shibir

An Awareness Workshop in Innovation and Entrepreneurship

One Day Srujana Shibir - An Awareness Workshop in Innovation and Entrepreneurship Programme was Sponsored by RDT (Rural Development Trust) organized in collaboration with IQAC of the College at STSN Govt. Degree College, Kadiri, Sri Sathya Sai District. The resource persons from Atal Incubation Centre (AIC), Sri Krishnadevaraya University, Anantapuramu.

Venue: Room no.108, STSN Govt. Degree College, Kadiri, Sri Sathya Sai District

Date: 03rd July 2023 Time: 10.00am to 4.00pm

Attendees: Staff members and Students of the college

A. Objective:

The objective of the "One Day Srujana Shibir" workshop was to create awareness among the students about the concepts of innovation and entrepreneurship. The workshop aimed to inspire and motivate students to explore their entrepreneurial potential, encourage innovative thinking, and provide guidance on how to transform ideas into successful ventures.

B. Procedure:

The IQAC Coordinator Dr.R.Hyderali started the session by inviting the resource persons on to the dias. The The Session Details:

- 1.Inauguration - Dr. S. Smitha, Principal STSN Govt. Degree College, Kadiri.
- 2.Introduction to the concepts of Entrepreneurship - **Dr.C.Chandra Mouli**, Incubation Manager, AIC-SKU
- 3.How can student innovators become entrepreneurs? - **B. Shaheen**, Entrepreneur in Residence, AIC-SKU
4. Support from organizations such as AIC-SKU to nurture student innovations - **Dr.P.Jyothi**, Mentor in Residence, AIC-SKU
- 5.Feedback and event closure - **Dr. C. Chandra Mouli**, Incubation Manager, AIC-SKU

1. Inauguration:

It commenced with an inauguration session led by Dr. S. Smitha, the Principal of S.T.S.N. Govt. Degree College. She emphasized the importance of innovation and entrepreneurship in today's dynamic world and encouraged students to harness their creative abilities.

2. Introduction to the Concepts of Entrepreneurship

Following the inauguration, Dr. C. Chandra Mouli, the Incubation Manager of AIC-SKU (Atal Incubation Centre - Sri Krishnadevaraya University, Anantapuramu), delivered a comprehensive introduction to the concepts of entrepreneurship. He provided insights into the entrepreneurial ecosystem, including identifying opportunities, building a strong business model, and overcoming challenges.

3. How Can Student Innovators Become Entrepreneurs?

The next session featured B. Shaheen, an Entrepreneur in Residence at AIC-SKU. He shared his personal journey as an entrepreneur and offered valuable advice on how students can become successful entrepreneurs. Shaheen's session aimed to bridge the gap between innovation and entrepreneurship by illustrating real-life examples and practical strategies for turning ideas into viable businesses.

4. Support from Organizations Such as AIC-SKU to Nurture Student Innovations

Dr. P. Jyothi, Mentor in Residence at AIC-SKU, provided invaluable insights into the support structures available for nurturing student innovations. She outlined the resources, guidance, and mentorship that organizations like AIC-SKU offer to aspiring entrepreneurs. Dr. Jyothi's expertise shed light on the crucial role such organizations play in fostering innovation.

5. Feedback and Event Closure

The workshop concluded with a feedback and event closure session, again facilitated by Dr. C. Chandra Mouli. During this session, students had the opportunity to share their thoughts, ask questions, and provide feedback on the workshop. The session served as a platform for students to reflect on their learnings, express their aspirations, and seek further guidance.

C. Summary of the event:

The "One Day Srujana Shibir" workshop was a successful event that aimed to create awareness and inspire students in the field of innovation and entrepreneurship. The workshop provided valuable insights into the entrepreneurial journey, from ideation to execution. Students gained a deeper understanding of the entrepreneurial ecosystem and were motivated to explore their own entrepreneurial ideas and ventures.

D. Feedback from participants (Outcome):

The participants' feedback was overwhelmingly positive. Students expressed their gratitude for the opportunity to attend the workshop and learn about innovation and entrepreneurship. They found the sessions informative, engaging, and inspiring. Many participants mentioned

feeling motivated and empowered to pursue their entrepreneurial dreams. The workshop successfully instilled a sense of confidence and encouraged students to think creatively and explore entrepreneurial paths in their future careers.

Overall, the "One Day Srujana Shibir" workshop created awareness, inspired innovation, and motivated students to explore the world of entrepreneurship. The event effectively sparked enthusiasm and provided a platform for future innovation and entrepreneurship initiatives.

5. Workshop Report: Workshop on e-OFFICE

Date: August 20, 2023

Venue: S.T.S.N Government Degree College, Kadiri

Resource Person: E. Srinivasulu, e-office Technical Assistant, National Information Centre (NIC)

A. Objective:

The primary objective of the workshop was to provide comprehensive training on the utilization of e-office tools and platforms to the non-teaching staff and supporting teaching staff of STSN GDC Kadiri. The aim was to equip them with the necessary skills to enhance administrative efficiency through the effective use of digital office tools.

B. Procedure - Hands on Training on e-office:

1. **Introduction to e-office:** The session commenced with an overview of e-office, its significance in modern administrative processes, and its potential to streamline office operations.
2. **Navigating the e-office Platform:** The attendees were given hands-on training on how to access and navigate the e-office platform. This included login procedures, dashboard overview, and the menu structure.
3. **Document Management:** A significant portion of the workshop was dedicated to document management within e-office. The participants were guided through the process of creating, editing, and sharing documents digitally.
4. **Digital Signatures and Approvals:** The resource person elucidated the process of digital signatures and approvals, which are pivotal components of e-office functionalities.
5. **File and Record Management:** Participants were acquainted with the techniques of organizing files, tracking changes, and maintaining records within the e-office ecosystem.
6. **Collaborative Workspaces:** The workshop also focused on collaborative features like file sharing, comment threads, and real-time collaboration on documents, promoting team efficiency.
7. **Security and Confidentiality:** A critical aspect covered was ensuring data security and maintaining confidentiality while utilizing e-office tools.

C. Summary of the Event:

The workshop on e-office conducted on August 20, 2023, at STSN Government Degree College, Kadiri, was a resounding success. The resource person, E. Srinivasulu, brought a wealth of expertise and practical insights, ensuring a productive learning experience for all attendees.

The participants, including Dr. Smitha, Principal, along with the office staff and supporting teaching staff, actively engaged in the hands-on training sessions. The event provided a conducive platform for knowledge transfer and skill acquisition.

D. Feedback from Participants (Outcome):

The feedback collected from the participants demonstrated a high level of satisfaction and enthusiasm:

1. Dr. Smitha, Principal, STSN GDC Kadiri, expressed her appreciation for the workshop, acknowledging its potential to revolutionize administrative processes within the institution.

2. Office staff members lauded the practicality of the training, stating that it directly addressed their day-to-day challenges in managing administrative tasks.
3. Supporting teaching staff members were particularly enthused about the collaborative features of e-office, recognizing its potential to enhance teamwork and information sharing.
4. Overall, the workshop received an overwhelmingly positive response, with participants expressing a keen interest in further advanced training sessions on e-office tools.

In conclusion, the Workshop on e-OFFICE at STSN GDC Kadiri on August 20, 2023, proved to be an invaluable learning experience for the non-teaching staff and supporting teaching staff. The practical training provided by E. Srinivasulu empowered the participants with essential skills to optimize administrative operations through the effective use of e-office tools. The positive feedback received from the attendees underscores the workshop's success in achieving its intended objectives. This event marks a significant step towards modernizing administrative processes within the institution.

F. Participants:

Dr.Smitha, Principal

Dr.M.Krishna Naik, Lecturer in Zoology

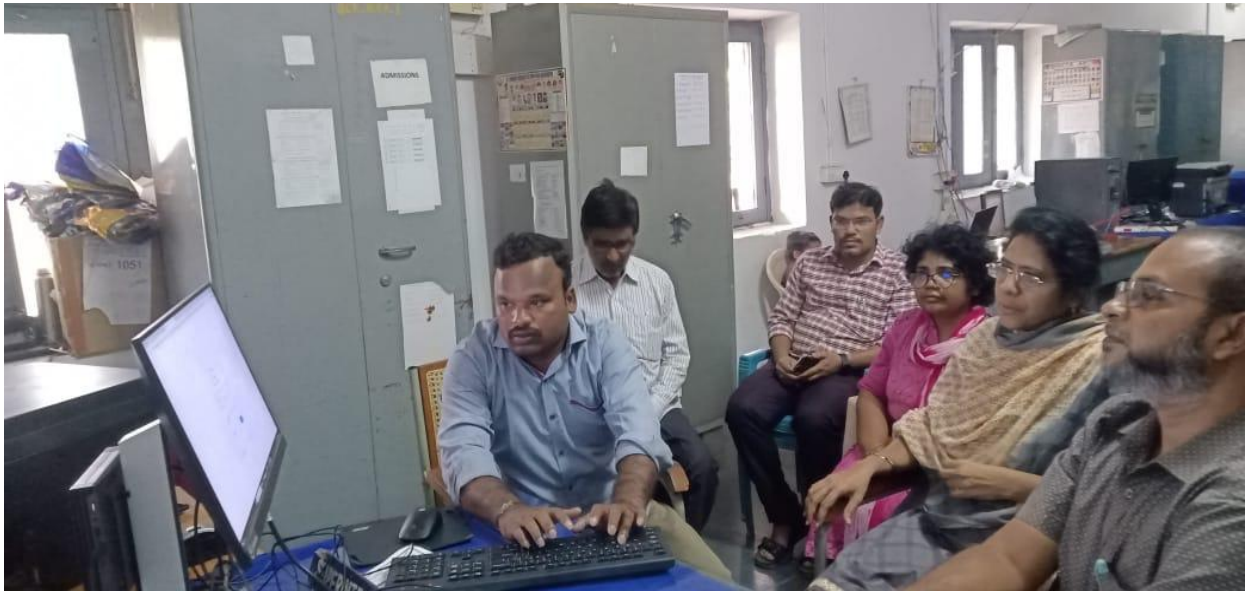

N.Ershad Hussain , Lecturer in Computer Science

C.Uma Devi – Superintendent

S.Ameenpeer, Senior Assistant

P.Adinarayana – Record Assistant

6. Report on workshop on Fee Collection Management System (F-Map)

Date: August 31, 2023

Venue: S.T.S.N Government Degree College, Kadiri

Resource Persons:

1. Dr. Smitha, Principal
2. D. Subramanyam, Lecturer in Physics, TLP Coordinator

Attendees: Office Staff and Supporting Teaching Staff

A. Objective:

- The primary objective of the workshop was to provide comprehensive training on **Fee Collection Management System (F-Map)** (a digital Initiative of APCCE) to non-teaching staff and supporting teaching staff.
- Special emphasis was placed on understanding and utilizing the Fee Collection Management System (F-Map) within the e-office ecosystem.

B. Procedure - Hands-on Training on F-Map:

1. **Creation of Courses in TLP:** Dr. Smitha commenced the workshop by highlighting the importance of proper course creation within the Teaching and Learning Process (TLP). She provided a detailed walkthrough on setting up courses, including defining course details, assigning fees, and configuring additional course-related parameters.
2. **Student Mapping to Courses:** D. Subramanyam led a practical session on mapping students to their respective courses within the TLP. He stressed the significance of accurate student-course associations for seamless fee collection.
3. **Generation of Fee Template:** Dr. Smitha demonstrated the process of creating fee templates within F-Map. She explained how to design fee structures, set due dates, and customize fee components based on specific course requirements.
4. **Mapping of Students to F-Map:** D. Subramanyam guided the participants through the process of mapping students to the F-Map system. He illustrated how to link student profiles with their respective fee templates, ensuring a streamlined fee collection process.

C. Summary of the Event:

The workshop on Fee Collection Management System (F-Map) was conducted with a focus on hands-on learning, allowing participants to actively engage with the system. Both Dr. Smitha and D. Subramanyam provided clear instructions, addressing queries and concerns throughout the session. By the conclusion of the workshop, participants had acquired proficiency in using F-Map for effective fee management.

D. Feedback from Participants (Outcome):

Feedback from the participants was overwhelmingly positive. They praised the practical approach to the training, stating that it significantly enhanced their comprehension. Participants expressed confidence in their ability to use F-Map in their day-to-day

responsibilities. Additionally, many attendees recommended periodic refresher sessions to reinforce their understanding.

Overall, the workshop on Fee Collection Management System (F-Map) was highly successful in achieving its goal of empowering non-teaching staff and supporting teaching staff with the necessary skills for efficient fee management within the e-office framework.
