DEPARTMENT OF POLITICAL SCIENCE

SUMMARY OF THE CERTIFICATE COURSE

The Department of Political Science was started Certificate Course on 05th December 2019 with the duration of 30 days for 30 hours from 05th December 2019. To 05th January 2020, Dr. S. Smitha Principal of the STSN Govt. Degree College inaugurating the course and explain the importance of International Relations present scenario. The class was conducted from 4 PM to 5 PM in working days. The valedictory function was held on 08th January 2020. The Principal distributed course completion certificate and appreciated the faculty for successful completion of course. This course very useful for B.A students to know the basics of International Relations and its relation with other sciences and understanding the exploration, excavation methods and conservation techniques. 26 students completed the course and received the certificate course in International Relations for the Academic year 2019-20.

Outcomes:

International Relations

Course Objectives and Outcomes:

- Effectively apply reading, writing, critical thinking, and analytical skills to address significant issues in the natural and human world based on articulating one's identity in a global context.
- Evaluate and apply diverse perspectives to complex subjects within natural and human systems in the face of multiple and even conflicting positions (i.e. cultural, disciplinary, and ethical.)
- Describe the impact of international events and systems at the regional, national, and local levels in at least one major area of the world.
- Adapt and apply a deep understanding of multiple worldviews, experiences, and power structures while initiating meaningful interaction with other cultures to address significant global problems.
- Form the tools to take informed and responsible action to address ethical, social, and environmental challenges in global systems and evaluates the local and broader consequences of individual and collective interventions.

- Use deep knowledge of the historic and contemporary role and differential effects of human organizations and actions on global systems to develop and advocate for informed, appropriate action to solve complex problems in the human and natural worlds.
- Blend knowledge, skills, and analytical reasoning skills to implement sophisticated, appropriate, and workable solutions to address complex global problems at multiple levels from the workplace through the global sphere.
- Explore career paths in International Studies and International Affairs related fields at the bachelors level and hold entry-level skills for such positions; differentiate career paths in International Studies and International Affairs related fields at the graduate level.
- Demonstrate a basic command of one professional development area.
- Apply interdisciplinary and multidisciplinary approaches, including foreign language skills and international experience, to critical analysis of issues of international, comparative, and/or global significance.
